

Finding Volume of Cylinders

Use 3.14 for π
 h =height of the prism B =area of the base

Name _____

Figure	Work Area	Answers
1. 		Radius _____ Diameter _____ B= _____ h= _____ Volume _____
2. 		Radius _____ Diameter _____ B= _____ h= _____ Volume _____
3. 		Radius _____ Diameter _____ B= _____ h= _____ Volume _____
4. 		Radius _____ Diameter _____ B= _____ h= _____ Volume _____
5. 		Radius _____ Diameter _____ B= _____ h= _____ Volume _____
6. 		Radius _____ Diameter _____ B= _____ h= _____ Volume _____
