Subject: A big change!

Hi Sarah!

My dad recently got a promotion at work so in May we are going to move / will move to Peru. I'm so excited because it will be / is being a big change in our lives. Everything is planned. We will take / are going to take a short vacation first – we are going to visit / will visit Machu Picchu. I'm a little scared, too, though. I'm 100% sure it won't / might not be easy to move to another country where the language is different. I can't speak Spanish, so I probably am not making / won't make new friends quickly. Also, my brother probably won't come / might not come with us. He's studying for his master's degree, and I don't think he takes / will take time off from school.

I think I will be / 'm being lonely at first. I'm trying hard to learn Spanish before we leave! I'm taking a class in the evenings. My teacher says that at the end of the course I can / will know enough Spanish to get around. I don't know. I'm just worried that I can understand her now, but when I'm in Peru, I can't / won't understand anyone!

Don't forget to write me.

Love,
Rachel xx
