Reading comprehension

A. Reading the following passage and choose the option (A, B, C or D) that best answers each of the questions below.

Cheerleading is a very popular activity for girls in the USA. Most American secondary schools have got a cheerleading team. They cheer at sports matches at their school, for example, American football and basketball matches. Some teams also enter competitions. But is it really a sport? Over 50 per cent of Americans don't think so.

Hannah: "No, I don't think cheerleading is a sport. In my opinion, it's just dancing. The cheerleaders entertain the crowd at school sports events, but they're just sports fans in uniforms. At my school, cheerleading is just for girls, and only the pretty girls join the team. In cheerleading competitions, the teams don't score goals or points, like in football or tennis. I think cheerleading is stupid."
