

# PRONUNCIATION - WORKSHEET 2

Most oo words are pronounced using the long oo sound. There are some words that are pronounced with the short oo.

The letter group **ook** is mostly pronounced with a **short "oo"** as in "put" (the only exceptions are "spook" and "snooker", which are pronounced with a long "oo").

The letter group **ood** is mostly pronounced with a **short "oo"**, but it can also be pronounced with a long "oo" as in "brood", "food", and "mood".

Put the words into the correct columns.

**food book cook foot moon noon roof room good school look**  
**hook stood took soon wood too zoo zoom wool**

Short oo, like "book"	Long oo, like "food"
