

## CORRECT THE SPELLING

I love watching movies. At the aienmc,  on TV or on my computer. I'm a big movie fan and love all the news of my favourite movie sarst. I  like all kinds of movies - Hollywood  blockbusters, bclak and white movies from the 50s, independent movies... They're all good. Recently I've got into  watching ironegf movies. I like

the films that come out of  
Bollywood - they're very iefdtrenf.

The first film I saw at the movie  
theatre was Star Wars. I  
was madeza  at the  
special efescft.  Nowadays,  
so many movies have such good  
computer srhpgaci  that we  
forget how special the effects are.  
One of my favourite ways of  
relaxing is to rent  
the atltse  DVD and sit on  
the sofa with a big bag of potato  
chips. The sound has to be up to

the max and

the tsghli  have to be off.
