

## Scared to be lonely

're 's Are Is

It was great at the very start  
Hands on each other  
Couldn't stand to be far apart  
Closer the better

Now we' picking fights and slamming  
doors  
Magnifying all our flaws  
And I wonder why, wonder what for  
Why we keep coming back for more

it just our bodies? we both  
losing our minds?  
the only reason you' holding me  
tonight  
'Cause we' scared to be lonely?  
Do we need somebody just to feel like  
we' alright?  
Is the only reason you' holding me  
tonight  
'Cause we' scared to be lonely?

Too much time, losing track of us  
Where was the real?  
Undefined, spiraling out of touch  
Forgot how it feels

All the messed up fights and slamming  
doors  
Magnifying all our flaws  
And I wonder why, wonder what for  
It' like we keep coming back for more

it just our bodies? we both  
losing our minds?  
Is the only reason you' holding me  
tonight  
'Cause we' scared to be lonely?  
Do we need somebody just to feel like  
we' alright?  
Is the only reason you' holding me  
tonight  
'Cause we' scared to be lonely?

Scared to be lonely

Even when we know it' wrong  
Been somebody better for us all along  
Tell me, how can we keep holding on?  
Holding on tonight 'cause we're scared to  
be lonely

Even when we know it' wrong  
Been somebody better for us all along  
Tell me, how can we keep holding on?  
Holding on tonight 'cause we' scared  
to be lonely

it just our bodies? we both  
losing our minds?  
the only reason you're holding me  
tonight  
'Cause we' scared to be lonely?

Scared to be lonely  
Scared to be lonely  
Eh, eh, scared to be lonely
