Hello, my name is Linda. Last Monday, I woke up at quarter past six. I brushed my teeth.

Then I ate rolls and sausages for breakfast. I went to school at seven o'clock. In the morning, I had four lessons: English, Art, P.E and Science. I don't like Science because it's the most difficult subject at school. I like English. English is more interesting than Art and P.E.

At eleven o'clock, I had lunch in the canteen. In the afternoon, I went to the park with my friends. We played basketball there. It was so fun. I went home at four o'clock. Then I cooked dinner. I had dinner with my family at six o'clock. After dinner, I did my homework and watched TV. I went to bed at half past nine.
