I to get a
It looking too long.
I let my sister it.
I mean, what she do ?

She clipped some bald spots and .
She whacked the sides a .
And then she shaved a three-inch stripe
directly the middle.

She chopped some sections super ,
 others long and wild,
then shaved one eyebrow off
she at me and smiled.

I don't that I'll let her
give me anymore.
Or maybe I'll just a while;
at least until she's .
