

CN03.04.02 A \_\_\_\_ /7

Look at the picture and answer the questions.

- ❖ Which living thing can you see around the lemon?
- ❖ Which kingdom does it belong to?
- ❖ Is this living thing unicellular or multicellular?

2. Read, think and answer the questions about yeast and moulds.

- How are yeast and moulds similar?
- How are they different?
- Is a mushroom a part of a fungus or a complete fungus?
- Why is it so important to identify mushrooms correctly?
