Mom surprised us today with a new dog! He is a beagle and is white with brown spots and long, floppy ears. We named our new dog Puckles. Puckles likes to jump and run, but he falls over a lot which makes me smile. Puckles did something funny when he ate. He picked up one little piece of food, walked over to the couch, sat down, and ate the piece. Then he walked back over for one more. Puckles will be fun to have as a pet. Thanks mom!
