TERMS - FREE MIND

I said, "_____ in the _____"

I wake up to _____ for my earnings

The fear in my mind is a warning

_____ to the one you rely in

I've been _____ all day

I try to be _____ but I can't be

The noise in my mind wouldn't _____ me

I try to get by but I'm _____

And _____ my mind it _____

All these thoughts have troubled me

_____ to give up my _____

Fighting to be on my lane

My _____ running to the other _____

When it's _____ to live my _____

Then it tries to take me out

_____ you what I need right here

I really _____, I really need time _____

I really need, I need a _____ mind now

I _____ need, I really need mine now

I really need, I need to free my mind now

I really need, I really need _____ now

I really need, I need a free mind now

I really need, I really need my mind now, oh yeah

This is the _____that you cannot _____

Send me a _____ that you cannot _____

One is the joy that you cannot _____

And the other one price that _____cannot fix

This is the peace _____ you cannot buy

Finding a _____ when you cannot _____

Man will desist if he cannot _____

I need to find release

But behind my mind it runs

All these thoughts have troubled me

LIVEWORKSHEETS

Fighting to give up my pain

Fighting to be on my lane

My mind _____ to the other side

When it's time to _____ my life

Then it _____ to take me out

Tell you what I need right here

I really need, I really need my mind now

I really need, I need a _____ mind now

I really need, I really need time now

I really need, I need to free _____ mind now

I really need, I really need time now

I really need, I need a free mind now

I really need, I really need time now, oh yeah

To _____ me free

Freer than the open mind

Farther than the _____ can handle

Freer than the ocean now yeah, yeah

So set me free

Now I need to _____ release

Set me to the open _____

Now I need to free my mind yeah, yeah

I might be falling deep

I might be falling _____

I might be falling deep

I might be falling deep

_____ me now what you need

I've been going to _____

When I'm all in my mind

I might be falling deep

Falling _____

I might be falling
