

At home, it is important that everyone helps with the housework. At school, the **teaching staff** teach pupils. The **non-teaching staff** look after the school, library and meal times. Who is Sam helping?

Page 71

1 Read and number. Circle the jobs you do at home.

<input type="checkbox"/>	She is making the bed.	<input type="checkbox"/>	He is taking out the rubbish.
<input type="checkbox"/>	She is washing the dishes.	<input type="checkbox"/>	He is laying the table.

2 Some people work with nature. They obtain or extract **raw materials** with the help of tools and machines. Where are Amy and Sam? Why are they wearing helmets?

Page 72

1 Listen. Use the code to match the three columns.

job

machine

raw material

A fisherman uses ...

a drill

to grow crops.

A farmer uses ...

a chainsaw

to extract oil.
