Dear Lily,

*I'm writing to tell you about something that happened yesterday. I woke up at about 10 a.m. Then I had a shower and made my breakfast. I had a big bowl of cereal and some toast then I watched TV for a while. After that I went into the kitchen where there was a funny noise. It was from behind the cooker. I took my tool box and moved the cooker out of the way. Oh, a mouse ate my snacks. It was terrible!*
