

1 Watch, listen and enjoy.

2 Listen and fill in the gaps

If you don't take her tonight
 She's gonna her mind
 And I will take her tonight
 And I will her kind

3 Listen and order the lines

You'll be the lonely one
 'Cause I will treat her right and then
 You're gonna find her gone
 If you don't treat her right, my friend

4 Listen, find and correct the mistakes

I'll make a goal of takin' her
 out from you
 (Woch what you do)
 Yea.
 The way you behave with her
 What else can I do?

5 Listen, choose the right spelling

If you don't take her out / take out her tonight
 She's gonna change her mind
 (She's gonna change her mind)
 And I will take her out tonight
 And I will treat kind her / treat her kind

6 Listen and read the lyrics out.

7 Match the words with their definitions.

8 Then read the words and the definitions out loud

to lose	to behave toward in a good way
to take out	to start having a different opinion
to treat kind	to no longer have
lonely	to do (something) because one thinks it's important
to make a point of	to remove something from someone, so that he no longer has it
to take away	to go with someone to a place like a cinema and pay for it
change mind	unhappy because of being without a company

9 Write about romantic dates you have had.

Answer the questions to find some ideas:

When and where did you meet your date?

What did you do together?

Did you treat him / her kind? What did it mean?
