

Remedial worksheet

Reading

Read the following passage and then answer the questions below:

It is a sunny Day

Today it is very sunny. I really like sunny days. When it is sunny outside, it is also very hot. When it is sunny outside, I like to wear a t-shirt. T-shirts help me to stay cool on hot days. My mom and dad also tell me to drink water when it is really hot outside

When it is sunny outside, my family and I like to go on walks. We like to take walks in the woods. This is nice because the trees block the sun. As we walk through the woods, we like to eat ice cream. Ice cream is a cold food that helps us to stay cool when it is hot outside.

1) What is ice cream?

- a) T-shirt
- b) A cold food
- c) Water

2) When it is sunny outside, it is also very...

- a) Cold
- b) Hot
