2. Using preposition of place

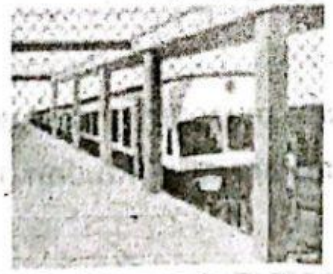

Lokasi

Near : **di dekat**
Beside : **di samping**
Behind : **di belakang**
In front : **di depan**
Between : **di antara**

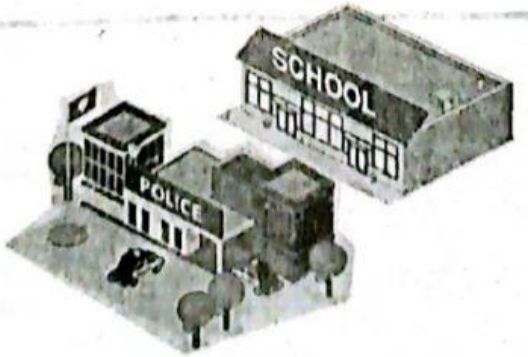

The school is **near** the bakery shop
Sekolah berada **di dekat** toko roti

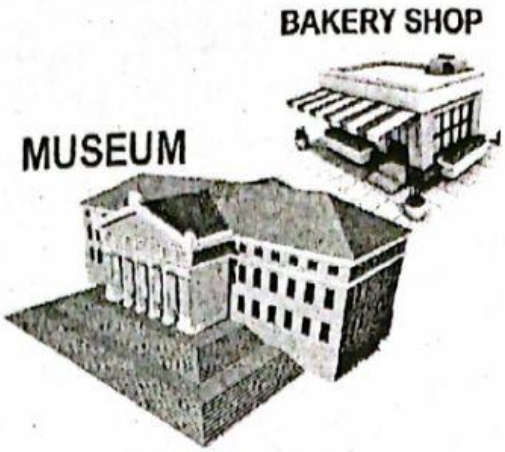

The train station is **beside** the restaurant
Stasiun kereta berada **di samping** restoran

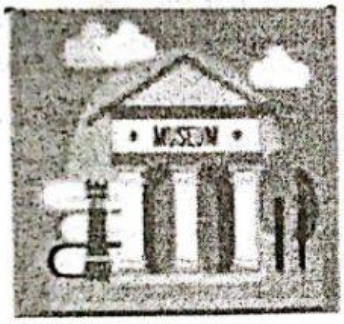

The school is **behind** the police station
Sekolah berada **di belakang** kantor polisi

LIVEWORKSHEETS

The museum is in **front of** the bakery shop
Museum berada **di depan** toko roti

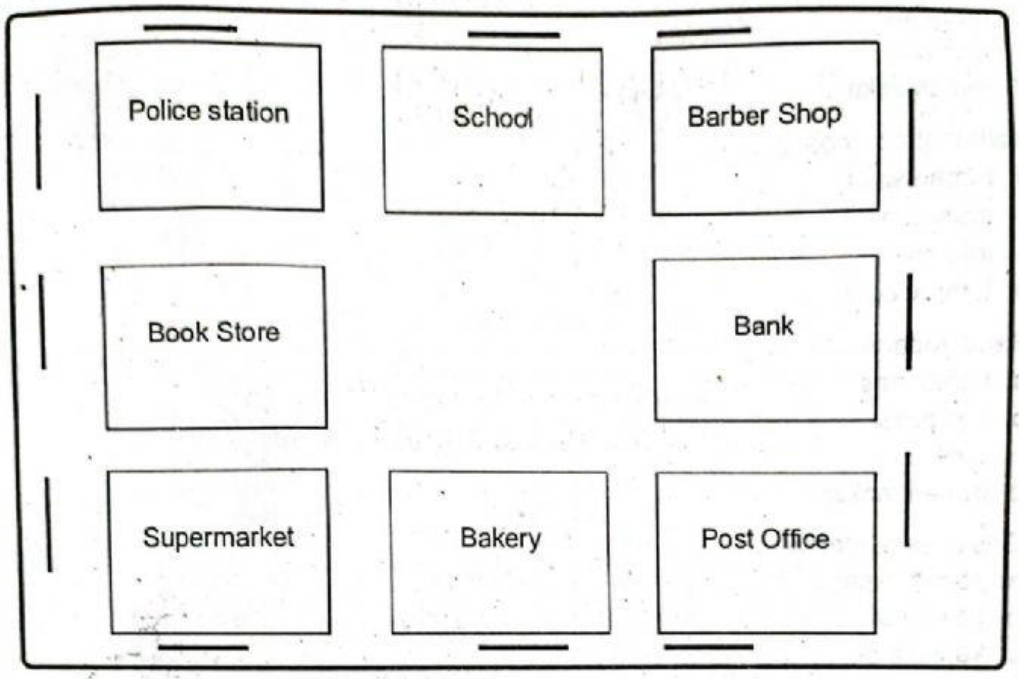

The hospital is **between** museum and church
Rumah sakit berada **di antara** musium dan gereja

Note : Jika near (di dekat), masih ada jarak antara dua benda/tempat.
Jika beside (di samping), benda /tempat tersebut tepat berada di samping.
