

TRAITOR Olivia Rodrigo

Put the verbs in past simple:

Brown guilty eyes and little white lies
Yeah, I (play) dumb but I always knew
That you'd talk to her, maybe (do) even worse
I (keep) quiet so I could keep you

And ain't it funny
How you (run) to her
The second that we (call) it quits?

And ain't it funny
How you (say) you were friends?
Now it sure as hell don't look like it

Chorus:

Put the verbs in the correct place:

You me	
And I know that you'll never feel sorry	Loved
For the way I, yeah	were
You'd talk to her	
When we together	hurt
..... you at your worst	didn't
But that didn't matter	
It you two weeks	took
To go off and date her	
Guess you cheat	betrayed
But you're still a traitor	

Choose the correct option:

Now you bring her **ground / around**
Just to shut me **down / round**
Show her off like she's a new trophy

And I know if you **are / were** true
There's no damn way that you
Could **fall / fell** in love with somebody that quickly

Ain't it funny
All the twisted **games / names**
All the questions you **use / used** to avoid?

Ain't it funny?
Remember I **brought / bring** her up
And you **told / tell** me I was paranoid

Chorus:

Join the lines:

God, I wish that	and fell in love with you
Before I went	forget about the way
When she's sleeping	you had thought this through
Don't you dare	in the bed we made

Chorus: You're still a traitor (ah-ah-ah) Yeah, you're still a traitor

God, I wish that you had (think) this through
Before I (go) and (fall) in love with you
