Dear Gloria,

Thanks a lot for your letter! I am writing to you now and my cat is playing under the table! I described him to you.

We do not want to stay at home either. We also are going to have a rest in June! This year I am spending my summer holidays with my brother Bob in Spain. He has planed everything for our traveling. Bob goes to football practice every day. So we will tour Barcelona, too. Yesterday I was shopping all day long. I bought many souvenirs for our friends.

I hope you will call me! Say hello to your parents.

With love,
Amy
