LEARNING ACTIVITIES FOR: SECOND TERM EXAM.

LEARNING OBJECTIVE:

*To find socio-cultural aspects of their own country and others, experiencing other cultures and languages from the point of view of their own national and cultural identity, in order to understand the role of diversity in the construction of an intercultural society and enjoy an enriched perspective of their own language¹ and the use of language² for communication and learning, developing so a critical and creative thinking using different skills: reading, writing, listening and speaking.

INTRODUCCIÓN:

English is an important communication tool in today's globalized world, one which allows learners to communicate beyond their own linguistic and geographical boundaries. As learners enter the final sublevel of their high school education, it is important to remember that being able to communicate in the international language of English will prepare them for a myriad of future academic and career opportunities, responsibilities and experiences.
