Subtraction in Number bonds within 30

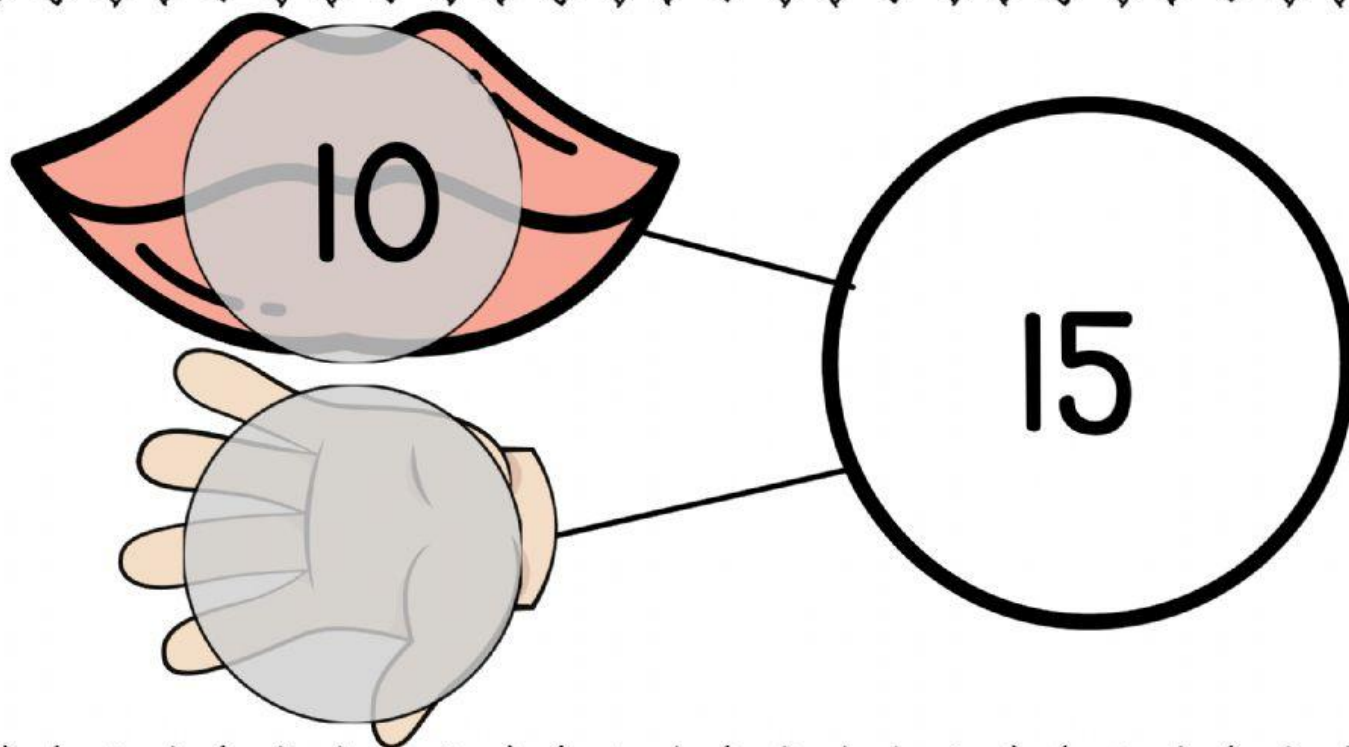

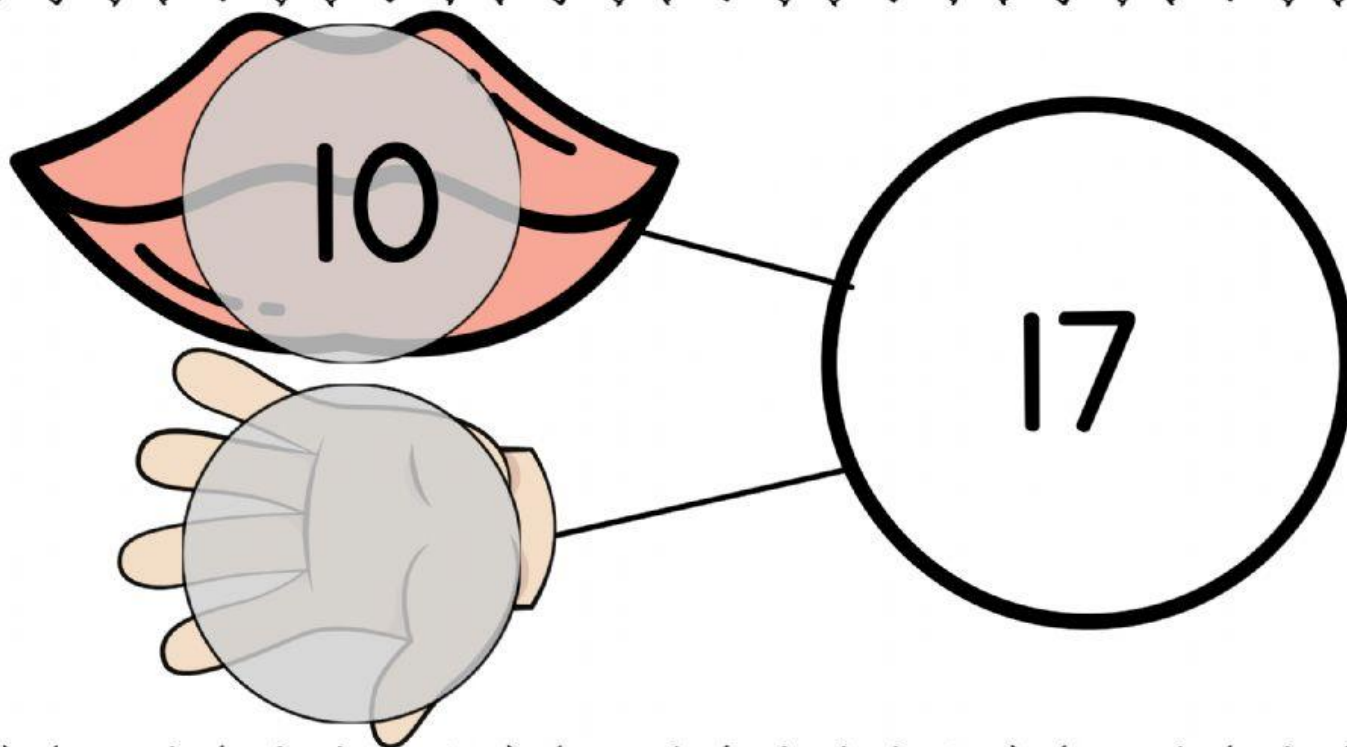

A large circle on the right contains the number 10. Two lines connect it to two smaller circles on the left. The top circle is a pink lip with the number 4 inside. The bottom circle is a grey hand with the number 6 inside. This represents the equation $4 + 6 = 10$.

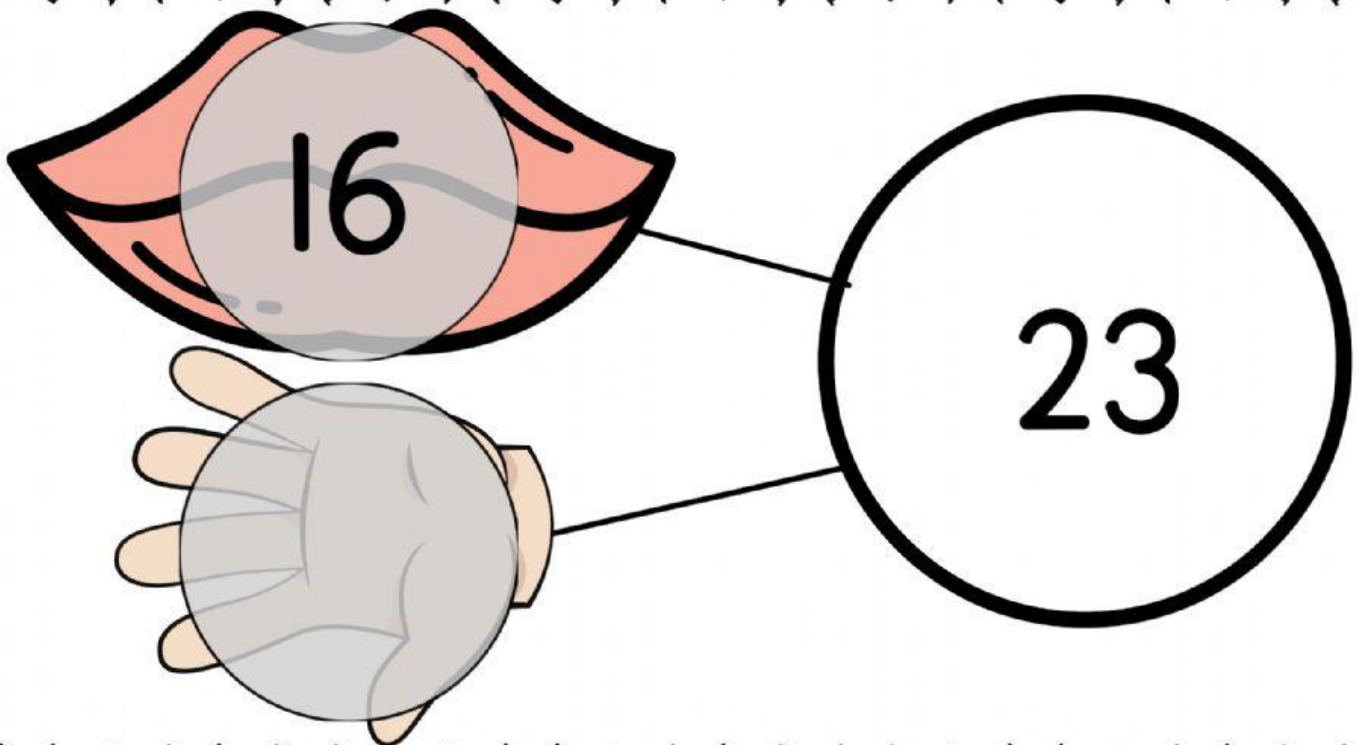

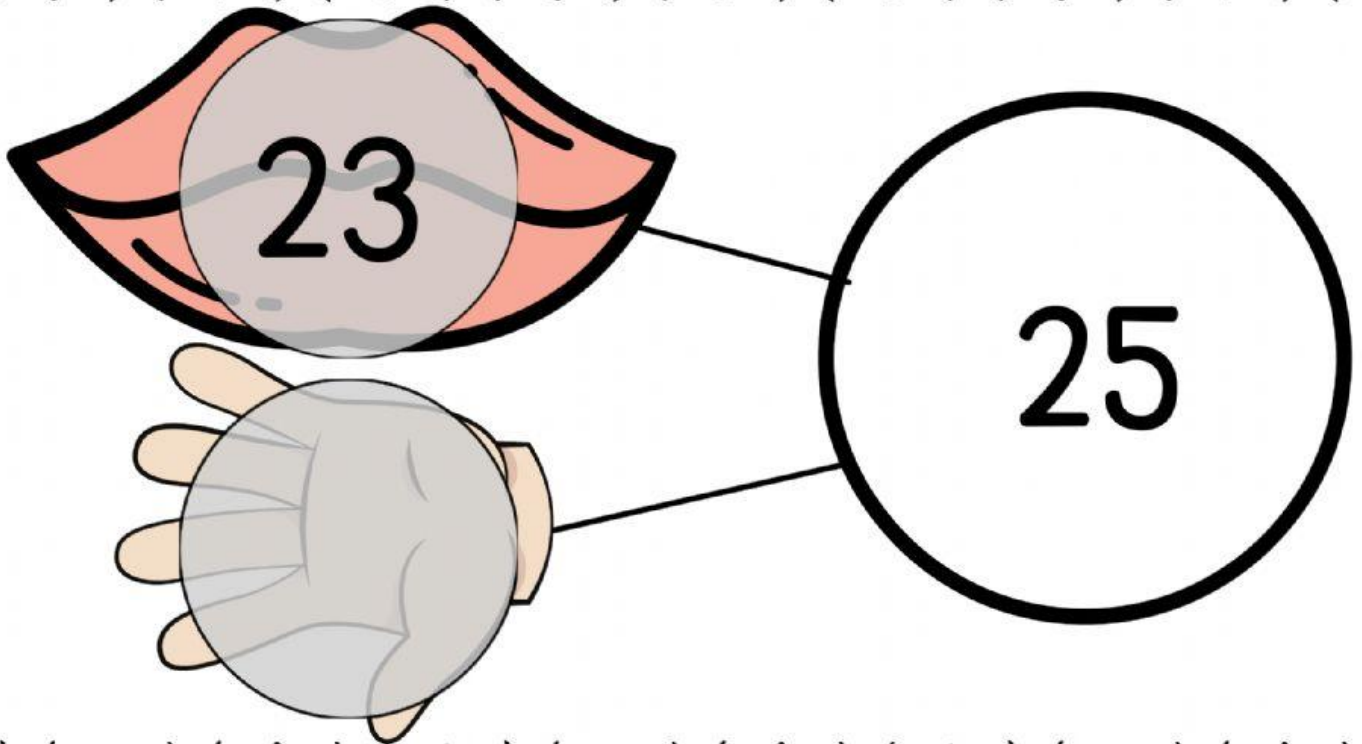

A large circle on the right contains the number 15. Two lines connect it to two smaller circles on the left. The top circle is a pink lip with the number 9 inside. The bottom circle is a grey hand with the number 6 inside. This represents the equation $9 + 6 = 15$.
