LIVEWORKSHEETS

LIVEWORKSHEETS

Making Predictions

Use information from the story.

Use what you already know.

Put the information together.

Ask yourself if your prediction makes sense.

Let's try it!

The weather forecast is for rain.

Which sentence best tells what would happen next?

Winston will take an umbrella to school.

Winston will leave his umbrella at home.

LIVEWORKSHEETS

Kevin's Book

Kevin read a book he liked a lot. He was sorry when the story ended. He thought the author had done a great job. The next day Kevin took the book back to the library.

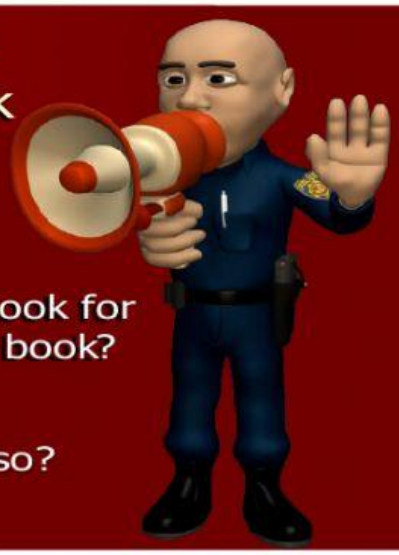

What are the facts?

What did Kevin think about the book?

How did Kevin feel when he finished the book?

What did Kevin think about the author?

Make a prediction about Kevin's book

What author might Kevin look for when he borrows another book?

Why do you think so?

LIVEWORKSHEETS

Read and make your prediction!

On the way to school Ryan hit a big bump and fell off his bike. After he fell he stood up and saw that he had skinned his knee. When he got to school his pants were ripped. What do you think he will do?

Answer in your notebooks.

Possible Answer:

Ryan would probably call home and ask someone to bring him a different pair of pants.

LIVEWORKSHEETS

Read and predict

When Brandon and Deon were campingthey decided to go fishing. While they werefishingthey caught twelve fish. When it was time to go back to the campsitethey put all the fish in a bucket. What do you think that they did with the fish? Why?

Answer in your notebooks.

Possible Answer

I predict that Brandon and Deon will take the fish out of the bucket when they get back to the camp site and then they will cook and eat the fish for dinner.
