At school, I joined an English speaking club (6)\_\_\_\_\_ was organised by a teacher from Britain. She understood my difficulty and helped me very much in improving my pronunciation.

Secondly, I found it really hard to learn English vocabulary. In Russian, the way you write the word is the way you pronounce it. However, English spelling is often (7)\_\_\_\_\_ from its pronunciation. To get over this difficulty I started using the dictionary. Whenever I learnt a new word, I looked it (8)\_\_\_\_\_ carefully in the dictionary. Then I tried to remember the way to read and write the word.

After that, I wrote the word down several (9)\_\_\_\_\_ in a notebook. Gradually, I got (10)\_\_\_\_\_ to the spelling system of the language. Now I'm confident that my English has become much better.
