

The Comparative Form of Adjectives and Adverbs:

Practice Exercise

Comparative Form of Adjectives and Adverbs (When **comparing 2:** persons, things, ideas, situations, or animals):

- Add **-er** at the end of **one-syllable** and **some two-syllable** adjectives or adverbs:

*hot – **hotter**

happy – **happier

**double the last consonant when preceded by vowel*

***change the ending -'y' for '-i' then add '-er'*

- Add **'more'** before **some two-syllable** and **three or more syllables** adjectives/adverbs. For example:

quickly – **more** quickly

difficult – **more** difficult

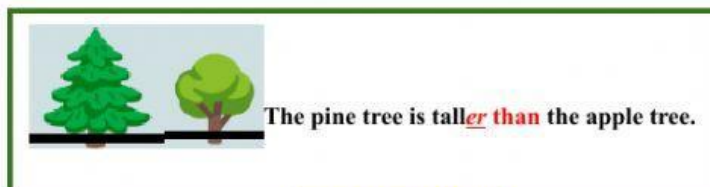

⇒ In sentences, we usually add the word **'than'** after the comparative form of the adjective or adverb. Example:

-He is **taller** **than** his brother.

-She drives **more** carefully **than** her husband.

⇒ Some adjectives and adverbs have an **irregular** comparative forms:

<u>Adjective/Adverb</u>	<u>Comparative Form</u>	<u>Adjective/Adverb</u>	<u>Comparative Form</u>
good -	better	bad -	worse
well -	better	badly -	worse
far -	farther/further	much -	more
little -	less		

Complete the sentences by selecting the correct **comparative form** of the adjective or adverb in parentheses.
