

Instruction: Click on each blank space to select the object pronoun that best completes each sentence from the drop-down list.

My favorite TV show

By CERO

One of my hobbies is watching TV. The TV show that I like _____ best is How I Met Your Mother, which is a popular American sitcom. It is about Ted Mosby, who

retells to his son, Luke, and daughter, Penny, the events from September 2005 to May 2013 that led _____ to meet the mother of _____. The series follows _____ and his group of friends in New York City.

In the beginning, Ted Mosley, a single 27-year-old architect is living with his two best friends: Marshall Eriksen, a law student, and Lily Aldrin, a kindergarten teacher who wants also be an artist, so he shares an apartment with _____. Lily and Marshall have been dating for almost nine years when Marshall finally proposes. Their engagement causes Ted to think about marriage and finding his soul mate, much to the disgust of his self-appointed best friend Barney Stinson, who has a weird personality.

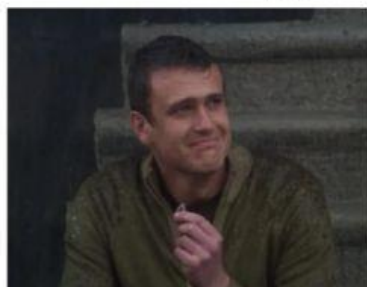

Ted begins his search for his perfect soul mate and meets a reporter from Canada, Robin Scherbatsky, and he falls in love with _____, but Robin does not want to rush into a relationship and the two of _____ decide to be friends. Future Ted says that Robin is not the mother after referring to _____ as "Aunt Robin".

Then, Ted begins dating Victoria, causing Robin to become jealous, and understand she has feelings for Ted. Victoria had to move to Germany because of her job, and she and Ted try a long-distance relationship. Once Ted learns Robin has feelings for _____, he tells her he broke up with Victoria, even though he does not. Victoria calls Ted, and Robin answers the phone, mistaking Ted's phone for _____ own. Ted and Victoria break up and an angry Robin distance herself from Ted, but they eventually reconcile and decide to date again.

Meanwhile, Lily wants to become an artist, so she applies for an art fellowship in San Francisco. She finally gets _____ but has to break up with Marshall. The season

ends with Ted returning to the apartment after dating Robin, to find Marshall sitting in the rain with Lily's engagement ring, ruined by their sudden break-up after nine years. Marshall must then cancel their wedding.

This is a very catchy romantic sitcom. If this kind of shows like _____, as a million people all around the world, come to join _____ and let's watch How I met your mother.
