

Hello! I'm Riley Andersen. I'm eleven. I lived in a small

town and I liked it! I was very \_\_\_\_\_ to live there with my parents and friends.

But one day my parents decided to move in a big city. I didn't like it at all!

I was really \_\_\_\_\_ !!!

When we moved, I felt \_\_\_\_\_ without my friends.

So, I ran away from home. It was a bad idea, I got lost in a big city.

I was \_\_\_\_\_ !

When I went pass the trash cans, I felt \_\_\_\_\_ .

In the end, my parents found me, I understood that I love them. Everything finished fine.
