Serie IV Rewrite the story using Synonyms

Every time I see my dog, I giggle. He likes to run fast. He also likes to carry his ball and he loves to chase rabbits. When we walk the street, he always sniffs. He looks for tennis balls that people have left behind. Suddenly, a rabbit hops in front of us. My dog gets excited and runs to the animal. I shout: 'Noo, wait!' But my dog is already far away from me. I giggle again. What a funny dog. Let's look for him.
