

LEARN ME RIGHT (Birdy, Mumford & Sons)

Though I may _____ some tongue of old
Or even spit out some holy _____
I have no _____ with which to speak
When you sit me down and see I'm _____

We will _____ and scream
You will _____ with me
We'll fulfil our dreams and we'll be _____

We will _____ and scream
You will _____ with me
We'll fulfil our dreams and we'll be _____

We will be who we are
And they'll heal our _____
Sadness will be _____ away

So I had done _____ but you put me right
My _____ burned in the black of night
When I give less than I _____
It is my _____ my own mistake

We will _____ and scream
You will _____ with me
We'll fulfil our dreams and we'll be _____
We will be who we are
And they'll heal our _____
Sadness will be _____ away
