I never knew I had it in me to dance any more

You got me in love again
Again

So many nights, my tears fell harder than
Scared I would take my brokento the grave
I'd rather die than have to live in alike before
But goddamn, you got me in love again
Show me that heaven's right here, baby
Touch me, so I know I'm not crazy
Never have I ever met somebody like you
Used to be afraid of love, and what it might do
But goddamn, you got me in love again

You got me in love again
You got me in love again
You got me in love again, again

I can't believe, I can't believe
I finally found someone
I'll sink my teeth in disbelief
'Cause you're the one that I want
I can't believe, I can't believe
I'm not afraid any more
Goddamn, you got me in love again

La-la-la, la-la-la
La-la-la, la-la-la

I never thought that I would find a way out
I never thought I'd hear my heartbeat so loud
I can't believe there's something left in my chest any more
Oh, goddamn, you got me in love again

I can't believe, I can't believe
I finally found someone
I'll sink my teeth in disbelief
'Cause you're the one that I want
I can't believe there's something left inside my chest any more
But goddamn, you got me in love again

You got me in love again
You got me in love again You got me in love again
(Again, and again, and again, and again, and again)
