## Advantages of email

It's very  <sup>1</sup>. You can send a message and it usually  <sup>2</sup> a few seconds later.

You can  <sup>3</sup> an email message anywhere in the world.

It's not  <sup>4</sup>. It's cheaper than  <sup>5</sup> if you want to send a message to a friend in another country.

And you can send the same  <sup>6</sup> to lots of different people at the same time.
