My Pets

I have two pretty birds as pets. They are green and blue parakeets. Their home is a shady tree in the garden where they are free to fly from branch to branch. I have nailed a wooden box on the tree. This is their 'nest' where they sleep at night and where they find shelter whenever it rains.

My pets are called Polly and Sally. Polly is the green and Sally is the blue one. They enjoy flying about among the branches and they chirp happily all day long. Every morning, I feed them with birdseed and give them a bowl of water to drink. I also clean their 'nest'.
