

Complete the song using the verbs in simple past.

A long long time ago

There   a volcano

Living all alone in the middle of the sea

He   high above his bay

  was

Watching all the couples play

And wishing that he   someone too

  heard

And from his lava  

  sang

This song of hope that he   out loud

Every day

  grew

For years and years

I have a dream

  was

I hope it will come true

That you're here with me

  came

And I am here with you

  had

I wish that the earth, sea, and the sky up above

Will send me someone to lava

  did

Years of singing all alone

Turned his lava into stone

  sat

Until he   on the brink of extinction

But little   he know

That living in the sea below

Another volcano

Was listening to his song

Everyday she   his tune

Her lava grew and  

Because she believed his song was meant for her

Now she was so ready to meet him above the sea

As he his song of hope for the last time

I have a dream

I hope it will come true

That you're here with me

And I am here with you

I wish that the earth, sea, and the sky up above

Will send me someone to lava

sang

Rising from the sea below

a lovely volcano

was

Looking all around

But she could not see him

Stood

He tried to sing to let her know

That she not there alone

But with no lava, his song was all gone

were

He filled the sea with his tears

Watched his dreams disappear

As she remembered what his song to her

I have a dream

grew

I hope will come true

That you're here with me

And I am here with you

meant

I wish that the earth, sea, and the sky up above

Will send me someone to lava

Oh they so happy

To finally meet above the sea

All together now their lava and grew

No longer are they all alone

With Aloha as their new home

And when you go and visit them this is what they sing

I have a dream I hope it will come true

That you will grow old with me, and I will grow old with you

We thank the earth, sea, and the sky we thank too

I lava you
