3. Listen and read. What are they doing?

We are getting ready for school camping trip... We are trying to pack all the things we need. 	Can you help us, Nemo? Of course! 	We are doing this faster because our friends are walking to school and we are packing still.  Don't worry, I'll help you...
Are you playing with my clothes, Nemo? I'm sorry! your clothes are wonderful!  I'm going to pick up and continue packing your bag.	Thank you, Nemo. We are ready ... we are going to our Camping.... Bye
