

Instructions:

Describe one item for your partner.

Guess the item your partner is describing using could/might/ can't /must.

example A: It's white.

B: It could be the whiteboard, or it might be my shirt.

A: It's on the table.

B: It can't be the whiteboard... It might be the rubber.

A: It's very small.

B: It must be the rubber!
