·◆· MATILDA ·◆·

Matilda was a very intelligent girl who loved reading books. She started reading when she was three.

She started going to the library when she was four because at her home there weren't any books.

When she was five, she solved maths problems without using a calculator.

She lived with her dad, mum and brother. Her dad didn't like reading, he only liked watching TV. Her mum only cared about herself. And her brother was horrible and he enjoyed annoying Matilda.

Matilda started school because she loved studying and learning. Miss Honey was her teacher at school. She was kind and generous. She loved children and teaching them.

The headmaster, Agatha Trunchbull, was really cruel. She hated children and she liked punishing them.

CHARACTERS
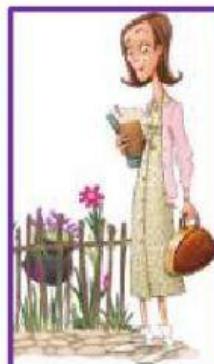

When Matilda was...

3 years old	she solved maths problems without a calculator.
4 years old	she started reading.
5 years old	she started going to the library.
