The Chocolate Café is in Seattle, in the US. It's very popular with local people who often come at lunchtime. Visitors from other parts of the US also come here. You can visit for lunch, or you can come for a party. There are a lot of different types of chocolate for sale at the café, including a spicy hot chocolate drink and chocolate pizza. You can also look at our website and buy different types of chocolate there. We've got a factory near the café where we make our own chocolate products. You can visit that too. Come soon!
