

With or without you by U2

See the stone set in your eyes / lies
See the storm / thorn twist in your side / sight
I'll wait for you
Sleight of hand / and twist of fate / fake
On a bed of nails / snails she makes me wait
And I wait without you
With or without you
With or without you
Through the storm, we reach the shore / shore
You give / leave it all but I won't / want more
And I'm waiting for you
With or without you
With or without you, ah, ah
I can't live / leave
With or without you
And you give yourself away / a way...
And you give...
And you give yourself away / a way
My hands are tight / tied
My body bruised / loose she put / got me with
Nothing to win / bring and
Nothing left to choose / lose
And you give yourself away / a way....
And you give....
