

"Just Give Me A Reason"
(feat. Nate Ruess)

Right from the start
You were a _____
You stole my _____
And I your willing victim
I let you see the _____ of me
That weren't all that pretty
And with every _____ you fixed them

Now you've _____ talking in your sleep, oh, oh
Things you never say to me, oh, oh
Tell me that you've _____ enough
Of our love, our love

Just give me a reason
Just a little bit's enough
Just a second we're not _____ just bent
And we _____ learn to love again
It's in the stars
It's been written in the scars on our hearts
We're not _____ just bent
And we _____ learn to love again

I'm sorry I don't understand
Where all of this is coming from
I thought that we _____ fine
(Oh, we had everything)
Your head is running wild again
My dear we still have everythin'
And it's all in your mind
(Yeah, but this is happenin')

You've _____ havin' real bad dreams, oh, oh
You used to lie so close to me, oh, oh
There's nothing more than empty sheets
Between _____ love, _____ love
Oh, _____ love, _____ love

Just give me a reason
Just a little bit's enough
Just a second we're not _____ just bent
And we _____ learn to love again
I never stopped
You're still written in the scars on my heart
You're not _____ just bent
And we _____ learn to love again

Oh, tear ducts and rust
I'll fix it for us
We're collecting dust
But our love's enough
You're holding it in
You're pouring a drink
No nothing is _____ bad as it seems
We'll come clean

Just give me a reason
Just a little bit's enough
Just a second we're not _____ just bent
And we _____ learn to love again
It's in the stars
It's been written in the scars on our hearts
That we're not _____ just bent
And we _____ learn to love again

Just give me a reason
Just a little bit's enough
Just a second we're not _____ just bent
And we _____ learn to love again
It's in the stars
It's been written in the scars on our hearts
That we're not _____ just bent
And we _____ learn to love again

Oh, we _____ learn to love again
Oh, we _____ learn to love again
Oh, oh, that we're not _____ just bent
And we _____ learn to love again
