IDEAL VACATIONS

I'm going to go to Italy on my next vacation. I'm looking forward to this trip because Italy is my favorite country. One of the first things I'm going to do when I get to Italy is to eat a delicious pizza. In all countries you can eat pizza, but I have heard that real pizza is only available in Italy.I am going to stay in an old hotel in the center of Rome. I really like the old style; that's why I chose that hotel.

I'm going to visit The Colosseum, Trevi Fountain, and Piazza del Popolo. I am going to take a lot of photos of the sights to show them to my family when I return to Buenos Aires. I have an intermediate Italian level; so, I am going to practice my Italian with as many people as possible.

Finally, I am going to go to the Vatican City because it is a place of great religious importance. This trip is going to be the best and most meaningful experience of my life.
