

REVIEW 3_READING AND GRAMMAR

I. Read and choose the correct answer

Teacher Matt was a rich man who always buy everyone expensive presents. It was ms Hanh's birthday and he wanted to buy her something that she'd really like. On the bus to school, he thought about the present. Finally, he decided to get her a book about art techniques and styles. "Ms Hanh must have been very surprised", he thought. When he was traveling back on the bus, he met a friend and they started chatting. They got off at the same bus stop. On the way home, Matt realized that he wasn't carrying any bags. Ms Hanh's present was still on the bus!
