Lyrics

I _____ my driver's license last week
Just like we always _____ about
'Cause you _____ so excited for me
To finally drive up to your house
But today I _____ through the suburbs
Crying 'cause you weren't around

And you're probably with that blonde girl
Who always _____ me doubt
She's so much older than me
She's everything I'm insecure about
Yeah, today I _____ through the suburbs
'Cause how _____ I ever love someone else?

And I know we weren't perfect but I've never felt this way for no one
And I just can't imagine how you _____ be so okay now that I'm gone
Guess you _____ what you _____ in that song about me
'Cause you _____ forever, now I drive alone past your street

And all my friends are tired
Of hearing how much I miss you, but
I kinda feel sorry for them
'Cause they'll never know you the way that I do, yeah
Today I _____ through the suburbs
And pictured I was driving home to you

And I know we weren't perfect
But I've never felt this way for no one, oh
And I just can't imagine how you _____ be so okay, now that I'm gone
I guess you _____ what you _____ in that song about me
'Cause you _____ forever, now I drive alone past your street

Red lights, stop signs
 I still see your face in the white cars, front yards
 Can't drive past the places we used to go to
 'Cause I still fuckin' love you, babe (ooh, ooh, ooh, ooh)
 Sidewalks we _____
 I still hear your voice in the traffic, we're laughing
 Over all the noise
 God, I'm so blue, know we're through
 But I still fuckin' love you, babe (ooh, ooh, ooh, ooh)

I know we weren't perfect but I've never felt this way for no one
 And I just can't imagine how you _____ be so okay, now that I'm gone
 'Cause you _____ what you _____ in that song about me
 'Cause you _____ forever, now I drive alone past your street
 Yeah, you _____ forever, now I drive alone past your street.
