

Listen to the song many times and learn it by heart!

He doesn't wear a uniform.
He works inside.
He says, 'Can I help you?'
He works all day from nine to five.

What's his job? What's his job?
Is he a nurse or a web designer?
Firefighter, vet or taxi driver?

She doesn't wear a uniform.
She works outside.
She drives a special car.
She can take you for a ride.

What's her job? What's her job?
Is she a nurse or a web designer?
Firefighter, vet or taxi driver?
