.....

.....

- PART 2 -

[5 points]

Read the text. Choose a word from the box. Write the correct word next to numbers 1-5. There is one example.

Animal Habitats

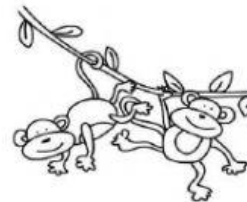

You live in your home. Do you know where a squirrel lives and where other animals live? It's just like you have a (0) house to live, so do plants and animals. A habitat is a place where a plant or an animal lives. There are many different habitats around the world. Polar bears live on the (1) Some animals like camels, snakes, and bighorn sheep live in (2)..... Rain forest is a place where butterflies, (3), eagles live. Some animals are so clever that they make their own homes. A bird's home is called a nest. What about the home of a honeybee? A honeybee makes (4) to live in. Now we know a lot about animal habitats. Animals are our friends. We should take care of them and their (5)

house

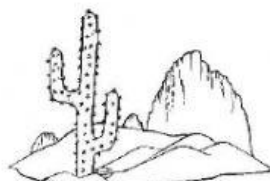

ice

monkeys

habitats

deserts

a hive

- Part 3 - (5 points)

Read the story. Write ONE or TWO-word answer to complete the sentences about the story. There is one example.

Penguins

Penguins are very interesting birds. They have two wings, but they cannot fly. They can swim very well. Penguins spend half of their time in the water and half of their time on land. They can live in cold habitats and warm habitats. In cold weather, they always stand together to keep warm. They catch fish and other sea animals to eat. The mother penguins lay eggs on the ice. Where is the nest for these eggs? The father penguins take care of these eggs. They put them on their feet! Why? Because they can keep the eggs warm. Penguins are fun to learn about.

Example:

0. Penguins are interesting birds.

Questions:

1. Penguins have two wings, but they can't
2. They can live in both cold and habitats.
3. When it's cold, they together to keep warm.
4. Penguins eat and other
5. The father penguins put eggs on their feet to them warm.

- Part 4 - (6 points)

Look and read and write.

Examples.

This family are having fun in thegarden.....

What is the big boy doing?riding a bike.....

Questions.

Complete the sentences.

1. The little boy is eating

2. The car is in front of the

Answer the questions.

3. What color are the tomatoes?

.....

4. What is the big girl eating?

.....

Now write two sentences about the picture.

5.

6.
