

Choose the correct option. Then listen and check

Yesterday Joe had to do all of the chores in his house (1) **before to** **before** his mother got home, so he (2) **started to** **started** doing it as soon as he woke up. The first thing he did was the washing up. But when he started (3) **to wash** **wash** the cups, he noticed something was wrong. The cupboard was stained! So, as soon as he (4) **finished to** **finished** washing the cups, he cleaned the cupboard. But then something terrible happened. His mother came home early! Joe didn't have enough time to finish (5) **to clean** **cleaning!** (6) **After to** **After** she got home, the two of them had to clean the house together!
