My travel blog

This summer, I travelled to Copenhagen, the capital of Denmark, on my own. I am only 20 and to **(27)** ..... honest, I was nervous about exploring a new city alone. I decided to go on a free walking tour the first day I was there. I hoped the tour would help me to become more familiar **(28)** ..... the city.

Unfortunately, the weather wasn't great, but the tour was still absolutely fantastic! Magnus, our tour guide, knew all about the city's history. We also learnt loads **(29)** ..... interesting facts about Danish culture. At the end of the tour, he gave **(30)** ..... all suggestions for the best places **(31)** ..... eat and visit.

Apart from learning so much, I actually had a lot more fun on the walking tour **(32)** ..... I'd expected. It was an excellent way to experience the city, and learn about its culture and history.
