Tiger 4 Unit 4

Working Dogs

People do lots of different jobs, but animals can do some jobs better than people. Here are three working dogs. They're all very good at their jobs.

Working DOGS

1) Read and and put the pictures near the right texts.

Josh is a [_____].
He works with a team of rescue workers in Scotland. Josh has got a very good sense of smell. He uses his nose to find people lost in the mountains.
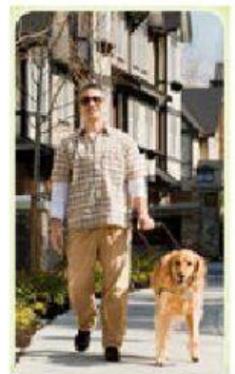

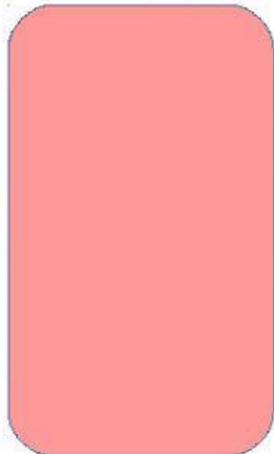

2) Read and put the name of different types of dogs in the right text.

guide dog   sheep dog

mountain
rescue dog

Milton is a [_____]. He works with a sheep farmer. Milton helps the farmer guide sheep from one field to another field. The farmer whistles to communicate with Milton. Milton understands.

Lady is a [_____].
Lady's owner, Robert, is blind. He can't see. Lady wears a harness and she guides Robert along the pavements. She stops at roads and steps. She guides Robert around dangerous objects.

3) Listen, read and choose the right questions.

1 Which dog has got a very good sense of smell?
2 Which dog wears a harness?
3 Which dog works with a team of people?
4 Which dog works with animals?
5 How does the farmer communicate with Milton?
6 How does Lady help Robert?
