REGGIE'S VEGGIE restaurant

by **Bob Stone**

Reggie's is a very popular place for vegetarians. There are lots of different dishes on the menu without any meat. But are they popular with meat lovers?

Well, some of the meals are very tasty. Reggie's *Veggie-burger* is delicious! It's got tomatoes, cheese, mushrooms and ketchup. The *Veggie-pizzas* aren't very tasty and they're quite expensive, too.

All the drinks at Reggie's are great. My favourite is the apple and carrot juice. They've got lots of milkshakes, too.

So, is Reggie's only for vegetarians?

Well, I'm not a vegetarian but I think Reggie's is a great restaurant.
