

1. Write the missing possessive adjective in the story

THEIR- MY- OUR – HIS – ITS – HER

One day I was at _____ grandmother's house. It was my favorite place because I could play with _____ dog; _____ name was Max. We used to play so many games, but one of them was _____ favorite. The game was to throw the ball as hard as possible and he would catch it. After play, it was _____ relaxing time together. We were best friends. My grandmother was always saying "_____ friendship is unique". I miss those days so much.

2. Write a short sentence using the possessive adjective "your"
