

WORKSHEET

Unit 8_Life Out There

I. Choose the correct answer.

0. Humans *might live* / *live* on Mars one day.
1. We *may have* / *had* fun at the party last night. Thank you for inviting us.
2. It *may rain* / *may not rain* tomorrow. Remember to bring your raincoat.
3. We *win* / *may win* the competition tomorrow if we try our best.
4. The Earth *has* / *will have* the atmosphere.
5. Jack is not here. I think he *may forget* / *forgot* the concert today. Let's call to remind him.
6. She *might win* / *won* the first prize, so we came to celebrate with her.
7. A meteor *might hit* / *hits* the Earth one day. If it does, it will destroy our planet.
8. The moon *orbits* / *will orbit* the Earth.
9. Hurry up! The bus leaves in 10 minutes. We *may be* / *may not be* late.
10. A planet *will have* / *might have* life if it has atmosphere. But atmosphere is not enough, it needs water too.

II. Unscramble the sentences.
