

Sense of Touch

1. Click on the correct body part that we usually use to touch.

2. Look at the pictures below. Think about how you would describe each object if you could touch them. Select the sentence that best describes each picture.

	 The elephant is heavy.		 The feather is heavy.
	 The elephant is light.		 The feather is light.
	 The table is smooth.		 The tree is smooth.
	 The table is rough.		 The tree is rough.
	 The rock is soft.		 The rabbit is soft.
	 The rock is hard.		 The rabbit is hard.

3. Click on each question to hear it. Draw a line from each picture to the correct answer.

Is a pillow hard or soft?	Is a house heavy or light?	Is a cookie rough or smooth?	Is an ant heavy or light?	Is a cup hard or soft?	Is an apple rough or smooth?
					

					
rough	smooth	soft	hard	light	heavy
