

1 Write.

could    couldn't    can    can't

Nine years ago,  
I was a happy baby ...

When I was a baby, I<sup>1</sup> couldn't walk or talk.

But I<sup>2</sup> \_\_\_\_\_ sleep and play every day.

Now I have to go to school every day, so I<sup>3</sup> \_\_\_\_\_

play all day any more. But I<sup>4</sup> \_\_\_\_\_ ride a bike,

swim and speak two languages.
